SUBJECT: Sergio Serra

Dear Dean:

Thank you for the information you recently sent us concerning the above named individual. This is helpful to us when we start a file which will lead to refusal of future registration attempts.

I am enclosing a Confidential Record Sheet which I would like completed so we may identify Mr. Serra. Please complete this with as much information as possible. A copy of an application with Mr. Serra's signature would be helpful in the identification process.

We would like to have copies of newspaper clippings or court records which would substantiate the conviction on charges of contributing to the delinquency of a minor. Any information you can send us will be helpful should he move to another part of the country and attempt registration.

Thanks for your help in protecting the youth of America.

Dear Mr. Serra:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended.

We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that the Boy Scouts of America membership registration is a privilege and is not automatically granted to everyone who applies.

We reserve the right to suspend registration whenever there is a concern that an individual may not meet the high standards of membership which the Boy Scouts of America seeks to provide for American youth.

If you wish to have this decision reviewed by a council review committee, please write to me explaining your version of the facts supporting your claim that your registration as a member of the Boy Scouts of America should be reinstated.
